

Flame Guard Waste Paper Bin, 7L - Matt Steel

Don't you find it dangerous when cigarettes or matches are thrown carelessly into the waste paper bin? Here's our solution: the flame guard 7 litre. This compact and safe model is ideal for your home and office. If something catches fire in the bin, the flame extinguisher shuts off the oxygen supply, so the fire simply goes out!

Benefits & Features

- The stainless steel flame extinguisher cuts off the supply of oxygen in the event of fire in the bin - the fire will go out
- Tested and certified by RWTÜV Germany
- Suitable for both professional and household use
- Practical design - most of the content of the waste bin is discretely covered
